Down and Dirty-Tracy Wolff 2017-05-23 This hard-bodied football star is used to scoring. But he needs all the right moves to get past a fiery redhead's defenses in a steamy standalone novel from the bestselling author of Ruined. Emerson: Talk about bad first impressions. I have too much riding on this job to show up late on my first day looking like the winner of a wet T-shirt contest, all thanks to an arrogant quarterback who drives like he owns the road. Hunter Browning thinks that because he's famous, he can fix everything with a smile and a wave of his hand. He's too bronzed, buff, and beautiful for his own good. Or mine. I can't let on that I'm a man . . . no matter how much fun we'd have in the sack. Hunter: Hitting that puddle was my best play since winning the Super Bowl with a touchdown pass. Sure, it's not my preferred way to get a girl wet, but I'll make an exception for Emerson Day. She's got a sharp tongue and a red-hot temper, even with her soaking clothes plastered to her every curve. Now I know exactly what my next play will be: hire Emerson as my personal real-estate agent, save her job—and see if I can take her off the market. She’s hilarious, magical, and beyond talented! Down & Dirty was hot and explosive!”—Sarah Robinson, author of the Kavanagh Legends series “Down & Dirty is an entertaining and steamy sports romance. Tracy Wolff created really good relationships and interactions between all of the characters with plenty of banter and teasing.”—Harlequin Junkie “I've never read anything by Tracy Wolff before this book, but I'm glad I did. I'm obsessed with Tracy Wolff's writing style. She’s hilarious, magical, and beyond talented! Down & Dirty was hot and explosive!”—Sarah Robinson, author of the Kavanagh Legends series “I definitely loved this book. A great football romance with a heartwarming yet heartbreakingly sad story.”—BookSmacked (five stars) “Touch Down! Another winner for Tracy Wolff! . . . I may have discovered this author by accident, but I'm smart enough to not let her get away now that I've found her.”—iScream Books Blog (five stars) “This is a beautiful story about love, loss, dealing with the curveballs life sends you and how having someone beside you can help you deal with anything. This story is magical.”—Cocktails and Books Includes an excerpt from another Loveswept title.

Down & Dirty-Tracy Wolff 2018-04-07 Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get Down & Dirty because this is Dawg's story... She has a secret. But little does she know, so does he. With a past he's not proud of and a secret only recently discovered, Dawg's life is about to change when a kindergarten teacher walks into Heaven's Angels Gentleman's Club, a DAMC business he's run for the past fifteen years. With no experience, her dancing sucks but he can't deny the woman's every imaginable way, and yet she's still the strongest person he knows.

Down and Dirty-Pictures Peter Biskind 2013-01-08 This "dishy...superbly reported" (Entertainment Weekly) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed Easy Riders, Raging Bulls, Peter Biskind “takes on Hollywood’s most successful movie industry of the 1990s and again gets the story.” (The New York Times). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matthew McConaughey, Ben Affleck, Mark Wahlberg, Uma Thurman, and Sean Penn. And the films—controversial and, “sensationally entertaining” (Los Angeles Times) Down and Dirty Pictures is a must-read for anyone interested in the film world.

Down and Dirty-Kendall Ryan 2020-03-10 From New York Times bestseller Kendall Ryan comes a delicious new standalone romance featuring an adventurous Vegas wedding and a totally perfect alpha hero. Remember that time you accidentally woke up in Vegas married to your hot younger guy? That’s basically my life right now. Mistakes we made, okay? He’s too young for me. Twenty-three to my thirty. And he’s saving himself for the woman you love is MC born and raised... Though the club blood runs thick with them, like Matt Damon, Ben Affleck, Ethan Hawke, and Uma Thurman. Candid, controversial, and “sensationally entertaining” (Los Angeles Times) Down and Dirty Pictures is a must-read for anyone interested in the film world.

but the sexy, tense, often murderously true story of the city's slums; the teeming streets--scene of innumerable cons and crimes whose crass and screeches of protest tell a pronounced story of the city's life. New Life voyages through Manhattan from four different directions. Part One examines the actual topography of Manhattan from 1840 to 1919; Part Two, the era's opportunities for vice and entertainment--theaters and saloons, opium and cocaine dens, gambling and prostitution; Part Three investigates the forces of law and order which did and didn't work to contain the illegalities; Part Four exposes the corruption and violence against the city as it actually was. Low Life provides an arresting and entertaining view of what New York was actually like in its salacious days. But it's more than simply a book about New York. It's one of the most provocative books about urban life ever written--an evocation of the mythology of the city, its modernity, its squalor, and the clash.
Trigger warning: This story includes a violent situation that includes kidnapping, physical and sexual assault. Note: This book can be read as a standalone. It includes steamy scenes, biker slang, cursing, some violence and, of course, an HEA. If you like alpha males who like to take charge, this book is for you!

I’ll Sleep When I’m Dead–Crystal Zevon 2009-10-13 When Warren Zevon died in 2003, he left behind a rich catalog of dark, witty rock ’n roll classics, including “Lawyers, Guns, and Money,” “Excitable Boy,” and the immortal “Werewolves of London.” He also left behind the dirty rock opera of drugs, women, celebrity, genius, and epic bad behavior. As Warren once said, “I got to be Jim Morrison a lot longer than he did.” Narrated by his former wife and longtime co-conspirator, Crystal Zevon, this intimate and unusual oral history draws on interviews with Bruce Springsteen, Stephen King, Bonnie Raitt, and numerous others who fell under Warren’s spell. To read the vivid stories and images of the friends, lovers, and legends who knew him best, I’ll Sleep When I’m Dead captures Warren Zevon in all his turbulent glory.

Down and Dirty–Down and Dirty South-Roger Glasgow 2016 Returning to a vacation trip to Mexico, Little Rock attorney Roger Glasgow and his wife got the surprise of their lives when they were stopped at the border crossing. Guards ordered them out of their car and began to remove the back seat. What followed was a long nightmare of political intrigue and subterfuge that led all the way back to Arkansas and its capital city. While pursuing a race for district prosecutor in the 1970s, Glasgow had run afoul of the local political machine. The machine later decided to teach Glasgow a lesson even though he hadn’t “crossed” the line. Down and Dirty is the story of Glasgow’s battle to clear his name and the tale of the people who had set him up for charges of smuggling illegal drugs into the United States.

Dirty Wedding Dress–Audrey Malone 2020-03-09 Dirty Wedding Dress – The Dirty Part By: Audrey Malone “Don’t get drug through the mud to end up at the altar in a dirty dress!” I swear that day goes by where there isn’t a relationship crisis that I am pulled into it. Doesn’t matter where I go; someone is talking about relationships and marriages. Hell, love and relationships are the top talking points at my gynecologist office, geeesh! Both men and women aspire to attain a traditional “happily ever after” in their relationships/marriages, it seems. However, it’s looking more and more as if the tradition of marriage is being discarded and strewn to the wayside in our fast-paced society. Too many relationships are plagued with infidelity, abuse, financial woes, and an absence of a spiritual foundation. With that recipe, how can a relationship survive and thrive? After countless lessons in my life and simply observing others, I’ve witnessed firsthand a lot. If marriage or a committed relationship is what you desire, complaining to others will most likely not yield a positive result. There are some things you must never forget! Some things are good. Some things are bad. Others are simply a lesson you’re meant to learn. You are about to experience an immersive lesson on relationships and what it all means in this real world, and it’s guaranteed to be a lesson you didn’t expect to learn.” Here why something signifies her innocence, which is gloriously visible on her face. Meanwhile, her side smile tells the entire story of her tainted love affair. “Some of our behaviors were quite nefarious. Behind the “good girl” public image, there lived a fun girl to the 100th power!” “But through it all, your father always protected his loved one. I am aware he would never hurt you. I didn’t know why he beat me, but he was so sorry…always sorry.” “I thought if I could just hold on and gain the title of being his wife, all the wrongdoings would somehow instantaneously be made right.” “He would come by our house to see my mother for a few hours, here and there. He never once stayed overnight.” “Barely able to speak, she said, “I can’t do this anymore.”

Double Down & Dirty-Tristan Taormino 2019-07-19 Wedding plans are in full swing in Bloody Mary, Virginia. J.J. Graves is ready to walk down the aisle and start a new life - despite the fact her father is still on the loose, blood money is Stashed in her closet, and an unidentified body is missing from her parents' bunker. But it isn't her personal life that's threatening her chance to say "I Do." It's the remains of a family of four that were killed in an ordinary house fire. Once J.J and Jack start investigating, they find there's nothing "ordinary" about these deaths.

Pucker Up-Tristan Taormino 2009-03-17 A veritable buffet of human sexuality . . . . . No matter how good you think your sex life is, this book is bound to give you a few ideas on how to make it even better. Tristan Taormino has garnered popular and critical raves for talking unabashedly about every sexual taboo. In Down and Dirty Sex Secrets, she uses her singular voice to redefine the sex primer. Tristan breathes new life into the classics—oral sex, multiple orgasms, and hitting that elusive G-spot, just to name a few—with humor, intelligence, and firsthand expertise. But she also introduces a new set of sexual fundamentals—strap-ons, female ejaculation, erotic, S&M, sex toys, and more—for all those looking to expand their sexual repertoire. If you believe that sex is for the sinless, this is an indispensable guide to mind-blowing, twenty-first-century sex.

Soldier Girls-Helen Thorpe 2014-08-05 "A raw, intimate look at the impact of combat and the healing power of friendship" (People): the lives of three women deployed to Afghanistan and Iraq, and the effect of their military service on their personal lives and families—named a best book of the year by Publishers Weekly, Library Journal, the New York Times, and others. "An eye-opening, gorgeously written, and unforgettable" (The Boston Globe), Helen Thorpe follows the lives of three women over twelve years on their paths to the military, overseas to combat, and back home...and then overseas again for a second tour. The question is faced by women in every way, become friends, and we watch their interaction and also what happens when they are separated. We see their families, their lovers, their spouses, their children. We see them work extremely hard, deal with the attentions of men on base and in war zones, and struggle to stay connected to their families back home. We see some of them drink too much, have affairs, and regret the decision of fellow soldiers to open up to them when she is driving hits an explosive in the road, blowing it up. She survives, but her life may never be the same again. Deeply reported, beautifully written, and powerfully moving, Soldier Girls is "a breakthrough work...What Thorpe accomplishes in Soldier Girls is something far greater than describing the experience of women in the military. The book is a portrait of a generation of American history...Thorpe triumphs" (The New York Times Book Review).

Down & Dirty: Crow-Jeanne St James 2019-02-08 Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get Down & Dirty because this is Crow's story... When a woman from his past shows up asking for his help, Crow can be the first to admit he's not exactly the Ella Smart, half-crazed denizens of the scene, it will make readers long for a time when George Plimpton strode the earth, and writing really mattered. A beguiling, acutely observant portrait of a legendary time and place. Wolcott was taken up by fabled film critic Pauline Kael as one of her “Paulettes” and witnessed the immensely vital film culture of the period. He became an early observer-participant in the nascent punk scene at CBGB, mixing with Patti Smith, Lester Bangs, and Verlaine. He saw punk as the perfect expression of an era. Wolcott got an eyeful of the literary scene when such giants as Mailer, Gore Vidal, and George Plimpton strode the earth, and writing really mattered. A beguiling mixture of Kafka Was the RageandPlease Kill Me, this memoir is a sharp-eyed rendering, at once intimate and shrewdly distanced, of a fabled milieu captured just before it slips into myth. Mixing grit and glitter in just the right proportions, suffused with affection for the talented and sometimes half-crazed denizens of the scene, it will make readers long for a time when you really could get mugged around here. From the Hardcover edition.

against Democrats culminated in the plot to destroy the political career of Speaker Wright. While some of Gingrich’s fellow Republicans were disturbed by the viciousness of his attacks, party leaders enjoyed his successes so much that they did little collectively to stand in his way. Democrats, for their part, were alarmed, but did not want to sink to his level and took no effective actions to stop him. It didn’t seem to matter that Gingrich’s moral conservatism was hypocritical or that his methods were brazen, his accusations of corruption permanently tarnished his opponents. This brand of warfare worked, not as a strategy for governance but as a path to power, and what Gingrich planted, his fellow Republicans reaped. He led them to their first majority in Congress in decades, and his legacy extends far beyond his tenure in office. From the Contract with America to the rise of the Tea Party and the Trump presidential campaign, his fingerprints can be seen throughout some of the most divisive episodes in contemporary American politics. Burning Down the House presents the alarming narrative of how Gingrich and his allies created a new normal in Washington.

Down & Dirty-Jeanne St. James 2017-10-11
Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get Down & Dirty because this is Jag's story... The only thing Jag, DAMC Road Captain, loves more than his custom hiko is Ivy. He's wanted her ever since he could remember. However, through the years, he's had to watch her date anyone but him since she avoids dating bikers like the plague. Instead, she gravitates toward the complete opposite: geeks and nerds. Something Jag will never be. Smart and independent, Ivy wants to be the property of no man. Growing up in the club, she knows firsthand how they treat women. She regrets the mistake she made by dragging Jag upstairs to his room at the club one drunken night. Ever since then, she's been doing her best to keep him at arm's length, though it's proven difficult. Especially when she finds out his secret, which only endears her to him even more. Between secrets, lies, and a violent tangle with a rival club, can these two passionate hot-heads find the love and solace they're looking for in each other's arms? Or will everything just tumble down around them? Note: This book can be read as a standalone. It includes lots of steamy scenes, biker slang, cursing, some violence and, of course, an HEA. If you like alpha males who like to take charge, this book is for you.
